Weekly Update on SMP M20 Programmed Work
Works Information
11 November to 17 November

Work to reduce congestion and improve journey times continues this week with narrow lanes and a reduced speed limit of 50mph both coast and London bound 24/7. Free recovery service and speed enforcement are in place to ensure drivers and road workers safety.

Monday 11 November to 17 November (inclusive)

11 November - there will be full overnight closure of the M20 London bound between junctions 6 and 4. A clearly signed diversion will be in place via the A229, M2, A228.

12 November – there will be a full overnight closure of the M20 coastbound between junction 4 and 6. A clearly signed diversion will be in place via the A228, M2, A229.

13, 14, 15 November – there will be full overnight closures of the M20 London bound and coastbound between junctions 6 and 4. A fully signed diversion will be in place via the A228, M2, A229.

16, 17 November - there will be full overnight closure of the M20 London bound between junctions 6 and 4. A clearly signed diversion will be in place via the A229, M2, A228.

These closures are overnight only between 8pm and 6am.
